# Recruiting Translators

Hollingsworth Translation and Information Services Ltd. is a professional translation company specializing in English and Chinese translation. Our company was established in 2008, is located in Kunming, Yunnan, China and is U.S. owned and managed. To meet the expanding needs of our customers, we are currently recruiting members to form a professional freelance translation group. Applicants should have an 8 or higher Chinese HSK level or equivalent aptitude in the Chinese language, should have prior translation experience, possess a conscientious work ethic and most important enjoy doing translation (oral and written).

Interested parties for more information please contact
